BAIL MEMORANDUM

I certify this document and its attachments do not contain the (1) name of a victim of a sexual offense listed in AS 12.61.140 or (2) residence or business address or telephone number of a victim of or witness to any offense unless it is an address identifying the place of a crime or an address or telephone number in a transcript of a court proceeding and disclosure of the information was ordered by the court.

The State of Alaska, through Assistant District Attorney Patrick J. McKay, Jr., files this bail memorandum to assist the court in setting appropriate bail and conditions of release in an arrest warrant for Defendant Darin Schilmiller in the above-captioned matter.

I. FACTS

This matter involves the planning and premeditated murder of 19-year-old Cynthia Hoffman by a group of five young individuals after being "catfished" and solicited by 21-year-old Darin Schilmiller of New Salisbury, Indiana.

Based in interviews and a review of internet communications investigators determined, Defendant Denali Brehmer AKA "Angel" met and began an online relationship with a man going by the name of "Tyler" from Kansas within the past several months. "Tyler" sent Brehmer a photograph of another young male purporting the photograph to be of himself. "Tyler" also convinced Brehmer that he was a millionaire.

1 This practice of assuming a fake identity to engage in online relationships is a practice
2 commonly referred to as "catfishing".

3 The investigation further established that unbeknownst to Brehmer at the time,
4 "Tyler" is actually 21-year-old Darin Schillmiller of New Salisbury, Indiana. He does not
5 look like the young man he portrayed himself to look like, he is not a millionaire, and he
6 lives in Indiana.

7 Interviews and recovered cell phone evidence reveals that during the course of
8 Schillmiller's and Brehmer's relationship, and several weeks before Hoffman's murder,
9 the two began discussing a plan to rape and murder someone in Alaska. Schillmiller
10 offered Brehmer nine or more million dollars to carry out the murder and to have
11 photographs and/or videos of the murder sent to him. Brehmer agreed to commit a
12 murder for him. Statements from all six defendants indicate that Brehmer then solicited
13 four friends, including 19-year-old Caleb Leyland, 16-year old Kayden McIntosh and two
14 other juveniles to assist her in planning and carrying out the murder at Schillmiller's
15 direction.

16 Statements and cell phone evidence further indicates that at some point during
17 May 2019 or early June 2019, the group assembled and discussed a plan to carry out the
18 murder. The defendants stated that they agreed that each member of the group would
19 receive substantial shares of money for their part of the planning and execution of the
20 murder. Cynthia Hoffman, who was allegedly "best friends" with Brehmer, was selected
21 by the group as the murder victim. Caleb Leyland provided Brehmer and McIntosh his
22 vehicle to pick up Hoffman on June 2, 2019, and carry out the murder.

23 According to multiple statements and other corroborating physical evidence,
24 Brehmer drove McIntosh and Hoffman out to Thunderbird Falls under the guise of going
25 on a hike on June 2, 2019. The three of them went off trail and followed a path along the
26 bank of the Eklutna River. The group stopped at a clearing and Hoffman's hands and feet
27 were bound with duct tape. Duct tape was also wrapped around her head, covering her

1 mouth. Hoffman was shot one time in the back of the head by McIntosh with Brehmer's
2 gun. Her body was then put into the Eklutna River.

3 Digital evidence and statements show Brehmer was communicating with and
4 sending videos and/or photographs of the events surrounding the incident to Schillmiller
5 at his directive throughout the duration of the event. There is no indication at this time
6 that Hoffman was sexually assaulted.

7 After the murder, some of Hoffman's clothing, her cell phone, and her bag/purse
8 were destroyed by McIntosh and Brehmer. Digital evidence shows Brehmer texted
9 Hoffman's family indicating Hoffman had been dropped off at Polar Bear Park in
10 Anchorage. Brehmer also deleted her conversations with Schillmiller from her cell phone.

11 On June 4, 2019, Brehmer and McIntosh were interviewed at the Anchorage
12 Police Department. McIntosh was arrested for Murder in the First Degree after
13 confessing to shooting Hoffman in the head. Brehmer admitted McIntosh shot Hoffman
14 in the head, and initially denied having any prior knowledge that the homicide was going
15 to occur, stating McIntosh took the gun from her hand.

16 After further investigation, including a Snapchat video in which Brehmer appears
17 to confess, Brehmer was re-interviewed by detectives at the Anchorage Police
18 Department on June 7, 2019. Brehmer ultimately admitted to being solicited by
19 Schillmiller to commit the murder and that the murder was planned once she realized she
20 had been catfished by Schillmiller.

21 On June 8, 2019, detectives interviewed Caleb Leyland. Leyland admitted to
22 knowing that "Tyler" had offered to give Brehmer nine million dollars to kill Hoffman.
23 He further admitted they all agreed Hoffman would be the victim and that he lent his car
24 to Hoffman after being told they were going to pick up Hoffman and kill her. Leyland
25 indicated he was going to receive \$500,000 for his role.

26 Schillmiller was contacted by federal agents and Indiana state police on June 9,
27 2019. He admitted to being "Tyler" and catfishing "Angel". He told police he knew

Hoffman was best friends with Brehmer. He further admitted to telling Brehmer to kill Hoffman and that he and Brehmer had been planning a murder for three weeks. Schilmiller stated that he chose Hoffman as the victim. He informed investigators that Brehmer had been communicating with him throughout the murder and was sending him Snapchat photographs and videos of Hoffman tied up and of the body afterward. He admitted to convincing Brehmer that he was a millionaire and that he would pay her millions of dollars to kill Hoffman. Schilmiller further admitted he and Brehmer discussed murdering another person after Hoffman, but that the plan was ultimately abandoned. Schilmiller further admitted to attempting to blackmail Brehmer after the homicide into raping people. Schilmiller was arrested by federal agents for a different matter and is in custody in Indiana.

BAIL INFORMATION

The undersigned is not aware of any prior criminal convictions for Schilmiller. Schilmiller is currently charged with Production of Visual Depictions of Minors Engaged in Sexually Explicit Conduct and Attempted Receipt of Visual Depictions of Minors Engaged in Sexually Explicit Conduct in United States District Court, District of Alaska for conduct that occurred the day after Hoffman's murder.

CONCLUSION

In determining an appropriate amount for bail, the court must consider the following factors:

- (1) the nature and circumstances of the offense charged;
- (2) the weight of the evidence against the person;
- (3) the nature and extent of the person's family ties and relationships;
- (4) the person's employment status and history;
- (5) the length and character of the person past and present residence;
- (6) the person's record of convictions, including convictions outside of the state;
- (7) the person's record of appearance at court proceedings;

- (8) assets available to the person to meet monetary conditions of release;
- (9) the person's reputation, character, and mental condition;
- (10) the effect of the offense of the victim, any threats made to the victim, and the danger that the person poses to the victim;
- (11) the conditions of released recommended by the pretrial services officer;
- (12) the person's pretrial risk assessment score; and
- (13) any other facts that are relevant to the person's appearance or the person's danger to the victim, other persons, or the community.¹

An arrest warrant should be issued in an amount that will protect the community from Schillmiller. The State requests the court issue a \$500,000 cash only performance arrest warrant, plus require electronic house-arrest monitoring by the Department of Corrections, pre-trial enforcement division and order that he have no contact with his co-defendants. The State also requests Schillmiller be prohibited from possessing or accessing any devices that have internet capability. This would help ensure Schillmiller is not a danger to the community. Schillmiller is one of the primary actors in Ms. Hoffman's murder. The State's case against Schillmiller, including admissions made by all his co-defendants, is incredibly strong. Further, his actions and demands made after the homicide indicate he is an ongoing danger to the community.

2 Further, the court should also set an appropriate amount of bail to ensure
3 Schilmiller will appear at all hearings in this case. Schilmiller is charged with multiple
4 unclassified felonies and faces a maximum term of imprisonment of 99 years on each
5 count. This significantly increases his risk of flight. In addition, Schilmiller has no known
6 ties to Alaska and no reason to stay in Alaska should he bail out. Thus, the State requests
7 a \$500,000 cash appearance bond in addition to the above-referenced cash performance
8 bond.
